QUARTERLY DETAILED UCFE OR UCX BENEFIT PAYMENT DATA

Public Law 96-499, Omnibus Reconciliation Act, enacted December 5, 1980, amended the UCFE law (5 UCFE 8501, et, seq.) and requires each Federal agency to pay the costs of regular and extended UCFE benefits paid to its employees by SESAs for Federal service performed after December 31, 1980. Public Law 97-362, Miscellaneous Revenue Act of 1983, effective October 1, 1983, requires the Department of Defense to pay the costs of all regular and extended UCX benefits paid attributable to all Federal Military service.

Upon request, agencies are to be provided detailed benefit payment data which supports those charges and adjustments which are included on the certified billing document for the quarter. The attached directory represents both those Federal and Military agencies that have requested the detailed data.
